Fellowship-based full time PhD in KIIT School of Public Health

KIIT Deemed to be University, Patia, Bhubaneswar

INVITE FOR APPLICATION

The KIIT School of Public Health under KIIT Deemed to be University with funding support of Access Health International and Affordable Quality Health, Hyderabad, announces fellowship-based PhD admission for academic admission 2023-24 batch. Promising candidates who are keen to pursue PhD research and innovations in the discipline of public health are encouraged to apply. Monthly fellowship of 35000/- will be offered for a maximum of three years, along with two scientific publications, subject to satisfactory progress as assessed by the Research Committee of the School from time to time.

Eligibility:

MPH / MHA / MTech / Master degree in Environmental Science or Biotechnology / PG in Medicine or related discipline from a recognized University with at least 60% marks in PG degree is essential. One year of relevant work experience and one scientific publication in the discipline of public health or health sciences is desirable.

Process of selection:

Short-listed candidates will undergo written test followed by personal interview. Those who have cleared NET or PG-NEET or GATE will be exempted from the written test.

How to apply:

Please email the following to: smaranika.jena@kiit.ac.in, copy to: directorksph@kiit.ac.in

1. Latest CV and personal statement
2. Grade cards (mark sheets) of PG, UG, Intermediate and Matriculation
3. Experience certificate/s
4. Copy of scientific publications (last three)
5. NET/PG-NEET/GATE score (for those who have qualified)

Last date of application:

31 July 2023. Applications received after the due date will not be considered.
